House Blessings

This coming New Year, I would like to take this opportunity to bless your house and family. It is a great opportunity for me to get to know you all in your own environment, and to bestow blessings on your home. During this blessing, we will practice as much social distancing as possible, wearing masks, sanitising etc. This blessing will involve meeting together in a room in your house. If you can, prepare a table with candles and a cross. I will bring holy water and we will pray together and I will bless your home. If this is something you'd be interested in, please fill out a form at the back of the church, and I will contact you to arrange a time that .
