PRAYER FOR THE SICK

Glorious St CAMILLUS, turn your merciful eyes upon those who suffer and those who care for them. Grant to the sick Christian resignation and trust in the goodness and power of God. Make those who take care of the sick be generous and lovingly dedicated. Help me to understand the mystery of suffering as a means of redemption and the way to God. May your protection comfort the sick and their families and encourage them to live together in love. Bless those who dedicate themselves to the infirm. And may the good God grant peace and hope to all. Lord, I come before You in prayer. I know that You hear me, You know me. I know that I am in You and that Your strength is in me. Look at my body racked with infirmity. You know, Lord, how much it hurts me to suffer. I know that You are not pleased with the suffering of Your children. Give me, Lord, the strength and courage to overcome moments of desperation and exhaustion. Make me patient and understanding. I offer up my worries, anxiety and suffering to be more worthy of You. Let me, Lord, unite my sufferings with those of Your Son Jesus who for love of men gave His life on the Cross. Furthermore, I ask You, Lord: Help doctors and nurses take care of the sick with the same dedication and love that St Camillus had. Amen.

FEAST DAYS THIS WEEK

13 July **St Henry** (973 - 1024) was born in Bavaria in 973 and became Holy Roman Emperor in 1014. He was noted for his support for the reform of the Church and for his encouragement of its missionary activity.

14 July **St Camillus of Lellis** (1550 - 1614) was born in Italy of a noble family. He became a soldier but through gambling and a wild lifestyle he lost everything. At the age of 25 he converted as the result of hearing a sermon. He tried to join the Capuchin friars but was rejected because of his poor health. Having had experience of hospitals from the inside, he determined to improve them, and he devoted the rest of his life to the care of the sick. He introduced many reforms and founded a congregation of priests and lay brothers, the Servants of the Sick (later known as the Camillians) to serve the sick both spiritually and physically. He was ordained priest in 1584. He resigned as head of his congregation in 1607 but continued to look after and visit the sick almost until the day of his death.

15 July **St Bonaventure** (1218 - 1274) became a Franciscan in 1243 and studied philosophy and theology at the University of Paris. He became a famous teacher and philosopher. He was a friend and colleague of St Thomas Aquinas. Bonaventure was elected general of the Franciscan Order in 1255, he ruled it with wisdom and prudence. He is regarded as the second founder of the Order. Bonaventure always insisted that the simple and uneducated could have a clearer knowledge of God than the wise.

16 July **The Feast of Our Lady of Mount Carmel** - On Mount Carmel the prophet Elijah defended Israel's pure faith in the living God. In the 12th century some hermits took up residence on this mountain and eventually set up the Carmelite Order, which is dedicated to living a contemplative life under the patronage of the Holy Mother of God.
