PENITENTIAL ACT

I confess to almighty God
and to you, my brothers and sisters,
that I have greatly sinned
in my thoughts and in my words,
in what I have done
and in what I have failed to do,
through my fault, through my fault,
through my most grievous fault;
therefore I ask blessed Mary ever-Virgin,
all the Angels and Saints,
and you, my brothers and sisters,
to pray for me to the Lord our God.

THE MYSTERY OF FAITH

We proclaim your Death, O Lord,
and profess your Resurrection
until you come again.

WHAT ARE PARISH PASTORAL COUNCILS?

Parish Pastoral Councils are leadership structures that enable priests and people to work together to build up dynamic Christian communities that are characterised by faith, evangelisation, worship and service.

To this end they discern what is best for the parish in light of the gospel, the church's teaching and what the Holy Spirit is saying through the People of God.

Their major tasks involve:

REFLECTION & PLANNING - Discerning the needs of the parish community and involving the whole parish in response to the needs.

ANIMATION - Enabling the baptised to discover their call as disciples of Christ by discerning the gifts of the parishioners and developing them through the provision of training and on-going formation.

ACTION - Providing structures that will marry the needs of the parish with the gifts and resources in the parish.

COMMUNICATION - Ensuring that effective dialogue takes place within the parish, the diocese and the wider community.

EVALUATION - Reviewing the life and activities of the parish so that parishioners might have a sense of proceeding towards bringing about the reign of God.
