World Day of Prayer for Care of Creation

Pope Francis has established this Sunday 1st September as the World Day of Prayer for the Care of Creation, encouraging the Catholic community around the world to pray for our common home. The theme for 2024 is "Hope and Act with Creation" which draws its inspiration from the Letter of St. Paul to the Romans (Romans 8:19-25). In his message for the World Day of Prayer 2024, Pope Francis reminds us how the Holy Spirit "keeps the believing community alert and calls it to conversion in lifestyles, to resist human degradation of the environment." The Holy Father calls us, with the assistance of the Holy Spirit, to seek to live "a life that becomes a song of love for God, for humanity, with and for creation, and that finds its fullness in holiness."
