Pope's August prayer intention: for August

In his prayer intention for the month of August, the Holy Father invites the faithful to join him in prayer “that political leaders be at the service of their own people, working for integral human development and the common good, taking care of those who have lost their jobs and giving priority to the poorest”
Politics properly so-called – “listens to what is really going on.”

Feast Day of The Transfiguration is celebrated on Tuesday next

The challenge of our times is to keep hope alive: hope in ourselves, hope in one another and hope in God. On many fronts, we live in an atmosphere of decay, destruction and despair. A cancer of our time is to be constantly seeking out and highlighting conflict rather than consensus, failure rather than fidelity, gratification rather than generosity, thuggery rather than thankfulness. This destructive perspective undermines respect, responsibility and relationships as it corrodes initiative, service and leadership. In such a demanding climate, a people's communal vision of the good life must be nurtured and enriched as must each individual's hope. We need to glimpse the reality of God among us. We need to know the greatness of God's love for us each day.

Prayer for our community

Embracing Father, You grace each of us with equal measure in your love. Let us learn to love our neighbours more deeply, so that we can create peaceful and just communities. Inspire us to use our creative energies to build the structures we need to overcome the obstacles of intolerance and indifference. May Jesus provide us the example needed and send the Spirit to warm our hearts for the journey. Amen.
