Pope Francis’ intention for the month of July. For the Pastoral Care of The Sick: Let us pray that the Sacrament of the Anointing of the Sick, bestows the Lord’s strength to those who receive it and to their loved ones, and that it may become for everyone an ever more visible sign of compassion and hope.

Today’s Gospel

Life in many ways, is about searching for God but many of us go looking for him in the far-off hills and in obscure places. But God moves in mysterious ways and is most likely to be present in our nearest and dearest, and in our neighbours. God is present in the ordinary bits and pieces of everyday life. We meet him in every person, place and moment that comes our way. This gospel is asking us to say thanks and to give honour and recognition to the prophets of God’s goodness in our midst. So, express some appreciation today for the person you married, a word of praise for the person who cooks the dinner, for the wage earner, for the neighbour who chats to you over the garden fence and for the friends who gave you time, support and attention during a recent bereavement. Let us not take for granted the presence of God among us that is evident in the goodness shown by family and friends.
