The Irish Synodal Pathway: The Key Question

What is God asking of the Church in Ireland at this time? This question has been the focal point from the very beginning of the Irish Synodal Pathway. No one person has the answer; the goal is to discern together what God is asking of us as a Church. How do we discern the voice of the Lord together? The Irish Synodal Pathway has endeavoured to do this on a national level by distilling and synthesizing what was heard through local consultations that took place across the country. The answers to this question will hopefully give a clear, unified direction for the Catholic Church in Ireland. www.dioceseofmeath.ie/synod
